**SB Civil Writ. Petition No.2979/2006**

**Date of Order:** **19th July, 2006.**

**PRESENT**

**HON'BLE MR.JUSTICE BHAGWATI PRASAD**

Mr. B.K.Mehar for the petitioner/s.

Heard.

The suit as filed has been held to be not sustainable because there is no cogent evidence. The suit was dismissed by concurrent findings by all the courts below. Further the appeal was found to be barred by limitation. That question also goes against the petitioner. In that view of the matter, no interference is called for. However, if the petitioner can legitimately be accommodated then he may make an application to the authorities for allotment of the land at the current market rate of the land. If any application is moved the same will be decided in accordance with law, as far as possible, within six months. With the above observations the writ petition is disposed off.
